Why book with SkiJapan.com?

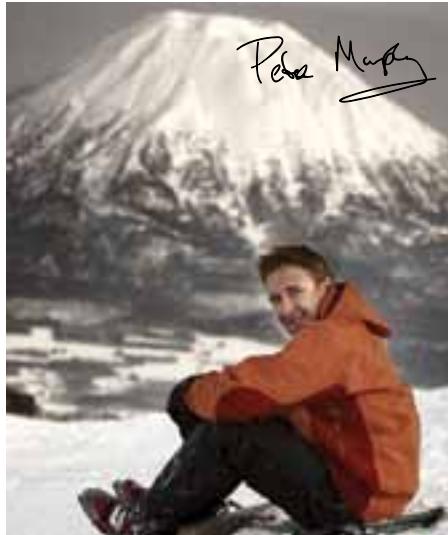

**It's been 20 years since SkiJapan.com began as Snowave Travel in 1992.
Our first tours to Japan began in 1996.**

Japan has changed the lives of so many skiers and snowboarders who wouldn't even consider going anywhere else for a snow holiday. There is simply nowhere else in the world where the quantity and the quality of the snow is so reliable.

Last season was no different with record snow falls in many resorts. Even now after 16 winter seasons in Japan, the incredible amounts of light, dry, powder snow never cease to amaze me, with over 21 metres of snow falling in Niseko last season. Japan as a ski destination is simply in a class of its own.

The fascinating Japanese culture combined with delicious food, wonderful people and mind blowing powder embodies a truly unique and awe inspiring holiday that you will never forget.

We look forward to welcoming you to Japan where the snow keeps falling and the smiles are endless.

BOOKING PROCEDURES, TERMS AND CONDITIONS

PRICES: All prices are quoted 'per person' unless otherwise stated. Land component prices are priced in Japanese Yen (JPY) and are converted to Australian Dollars (AUD) using an indicative exchange rate, which is listed on your quote/invoice. The final AUD payable to SkiJapan.com is determined using the invoiced JPY amount. This will be converted to AUD using the exchange rate applicable on the day final payment is made. Prices do not include Australian GST as overseas travel from Australia is GST-free. The offer, prices and all terms and conditions on this booking form, in the brochure, on our website and all our promotional material are subject to change or withdrawal without notice prior to final payment being received by SkiJapan.com.

DEPOSIT: A minimum \$500 NON-REFUNDABLE deposit per person is required within 7 days of your confirmed reservation together with a signed booking form, to secure your booking, otherwise your reservation may be automatically cancelled. Some properties may require deposit payment inside the standard 7 days and an increased deposit to secure the booking. Payment of a deposit indicates acceptance of these conditions. Passengers are responsible for checking all names of people traveling, travel dates and arrangements are correct at time of confirmation. If there is a discrepancy SkiJapan.com must be notified immediately. Subsequent changes may incur amendment and/or cancellation fees.

BOOKING FORM: It is the responsibility of the person who signs the booking application form to inform all other people traveling under their name of these booking conditions. The person who signs the booking application shall be liable for all fees for the entire traveling party in the event of any cancellation. SkiJapan.com is not obliged to continue to hold any booking unless a signed Booking Form is received.

PAYMENTS: SkiJapan.com will accept payments by the following methods. Cash, cheque, credit card, or direct deposit into our bank account. Agents payments can be made via Enett or direct deposit. Please note: there is a 1% charge when paying with Visa or Mastercard & 3.1% charge when paying with an American Express Card.

PART PAYMENTS: SkiJapan.com will accept deposits and final payments only. Part payments towards bookings will not be accepted.

AIRFARES: Airfares, taxes & conditions can change at any time and the only way to guarantee airfares quoted is to purchase tickets immediately. It is not always possible for SkiJapan.com to advise clients of increases or changes to conditions issued by the airlines.

FINAL PAYMENT: Final payment is payable 90 days prior to departure date. Bookings made between 15 - 89 days from departure, require full payment within 7 days of confirmation. Bookings made less than 14 days before departure require full payment immediately on confirmation as per Late Booking conditions. Some airfares and accommodations may require full payment prior to the final payment deadlines set out above, your SkiJapan.com consultant will advise you of this.

On the day final payment is made to SkiJapan.com, prices for all land components will be calculated on the daily outward remittances exchange rate, as published on the Commonwealth Bank website: www.commbank.com.au/guides/personal/other/foreignexchangers.asp. Deposit/s will be subtracted from this amount for final payment. Failure to pay by the due date may result in auto cancellation of your booking and reinstatement fees may be incurred.

EARLYBIRD DISOUNT: Earlybird discounts apply to selected SkiJapan.com products and are detailed in our brochure. Earlybird offers are not applicable in conjunction with any other discounts offered. To be eligible for the discount the booking must be made and paid according to each offer's conditions. All Earlybird discounts will be removed from the booking in the event the required payment is made after the cut off

date and normal payment conditions will apply. SkiJapan.com strongly advises all clients in a booking pay by the Earlybird deadline. All clients in a booking may be liable for increases in the accommodation rate on certain properties if this condition is not met.

LATE BOOKING: Bookings made less than 14 days before departure will incur a \$100 late booking fee per file. To commence a booking SkiJapan.com requires credit card guarantee and final payment will be taken immediately on confirmation of the booking. Normal cancellation fees will apply.

AMENDMENT: Any amendments made after deposit is received will incur a SkiJapan.com \$50 admin fee per trip per amendment; this is in addition to any supplier amendment fees charged. Changes to issued Air tickets may incur fees as set out by the Airlines in their conditions; these fees are in addition to the amendment fee by SkiJapan.com.

CANCELLATION: In the event of cancellation more than 90 days prior to departure, SkiJapan.com will charge \$500 per person cancellation fee in addition to any airline or accommodation and supplier fees. For cancellation within 90 days but more than 30 days prior to departure, SkiJapan.com will retain 50% of the total trip price in addition to any applicable airline, accommodation or supplier cancellation penalties. Cancellation within 30 days prior to departure will incur a 100% cancellation fee. No allowance or refund can be made for unused meals, accommodation, transport, vehicle rental, equipment hire, lift tickets, or any other unused package components once travel has commenced. If a person or persons cancel from a SkiJapan.com booking, they and the remaining people in the booking will be liable for the additional accommodation costs that result from the cancelling persons.

TRAVEL INSURANCE: Travel insurance is highly recommended at the time of deposit to cover cancellation, accidents, baggage loss, personal liability, additional expenses and strikes.

ACCOMMODATION: SkiJapan.com reserves the right to substitute and confirm alternative accommodation of a comparable or superior standard if necessary should that described in the brochure not be available.

NOT INCLUDED: All other costs, apart from those detailed in a quote/invoice, are at the clients' own expense eg: passport and visa fees, inter-airport transfers (e.g. from Tokyo's Narita airport to Haneda airport by bus), meals or any other items including those of a personal nature unless otherwise stated. If flight or other travel delays lead to missed connections, SkiJapan.com cannot be responsible for train fares, taxis or other extra expenses.

It is not always possible for SkiJapan.com to advise clients of increases or change to conditions issued by the airlines. It is each passenger's responsibility to make themselves aware of any airfare conditions and/or restrictions relevant to airfares purchased as part of a SkiJapan.com package prior to departure. If you are in any doubt, please ask and we will confirm the conditions that apply to your airfare. Airline taxes and levies are included in your trip price however they are subject to change up until the time of final payment and each destination and itinerary attracts different taxes and is also dependent on the exchange rate. We will advise the approximate taxes at time of booking however they may change at the time of final payment.
